To the Board of Education:

In September 2021-2022, we are working with the New York State Education Department to review and establish new guidelines for the safe reopening of our schools.

As the Governor of the State of New York, Ms. Kathy Hochul, indicated in her recent address, we are committed to ensuring the safety of all students, staff, and parents. The Buffalo Public Schools are taking all necessary precautions to ensure a safe learning environment for all.
