### Reminders

Please continue to check ClassDojo and your child's take-home folder daily to see important reminders, as well as the points they have earned throughout the day for thumbs up choices. Please continue to send in a filled water bottle daily. This will come home nightly to be cleaned and refilled.

## Pre-K Students and Families!

We will begin our third Big Day for Pre-K theme in the next week: Our Community! We will focus on letter and sound recognition for letters Ff-Ii along with syllables.

For Building Blocks Math we will focus on counting in groups, comparing, subitizing, describing and matching shapes, and one-to-one correspondence.

In our Second Step curriculum we will focus on Following Directions, Asking for What you Need or Want, and Identifying Feelings.

Parent-Teacher Conferences will be held virtually Monday, November 14<sup>th</sup> and in person Wednesday, November 16<sup>th</sup>. A Sign-Up Genius will be shared via ClassDojo with a link to pick a time slot that works best for you. Information will be shared beforehand with how to join the conference virtually.
