

August 2, 2022

Dear Students and Parents,

With the start of the new school year, the students and staff will be reviewing Buffalo Public School District Code of Conduct and discussing how it contributes to the maintenance of a safe and secure learning environment for all members of our school community. Our expectation is that all students will act and behave appropriately not only when following their regular daily schedule, but also during any special activities that may take place.

Riverside Academy High School will follow the district Code of Conduct which is designed as a basic agreement between members of the school community to act in a fair manner towards one another. It identifies student rights and responsibilities as well as consequences for misbehavior. In addition, the parent section is designed to serve as a framework for an effective home-school partnership with parents. The Code of Conduct provides expectation and guidelines for students to work successfully within the school community and communicates the importance of coming to class with a readiness to learn.

In addition, please make a note that **cell phones and/or any electronic devices will not be allowed** in school effective September 8, 2022, the first day of school. Please take time to discuss the new changes regarding electronics and the Code of Conduct with your child and have them acknowledge that he/she understands and will adhere to these expectations. This will ensure that your child can avoid any consequences such as detention and/or suspension. while on school campus. Please look for a letter from our school community regarding student expectations upon returning to school.

Thank you for your cooperation. Please do not hesitate to contact me if I can offer further information or assistance.

Educationally yours,

**Mrs. Teena Jones**

Mrs. Teena Jones

Principal
