

Dear Parents and Families,

My name is Miss Cutrona, and I am a recent graduate from Buffalo State College. I am starting my first semester for my master's degree in Curriculum and Instruction this fall at Buffalo State. I will be filling in for Mrs. Limina this fall and will have the honor of working alongside Miss Serafini in your child's Kindergarten classroom! I have had the opportunity to work in many schools across the Buffalo area, and with each placement I was able to grow as a future teacher. I am hoping to get to learn about your child and the diverse atmosphere here at North Park Community School!

I was born and raised in South Buffalo, and I still reside there today. I am a mommy to a furbaby beagle, she just turned 3 this summer, and her name is Zero. I enjoy taking walks through nature preserves, as well as working on arts and crafts. In my spare time I love to bake and spend time with close friends outdoors. I work in management at Tim Horton's and am in my sixth year with the company.

I am so very excited to get to know you and your child, and I am ready for the never-ending explosion of fun and learning this fall! I would love to learn about your family, and I encourage you to share anything you think would be helpful in getting to know your child as I work with them throughout the next few months. If you have any questions or concerns, please don't hesitate to reach out.

Thank you,

Miss Kaitlin Cutrona
