RIGHT to KNOW LETTER – See attached

On December 10, 2015, the *Every Student Succeeds (ESSA) of 2015* was signed into law. Section 1112I(B)(ii) of the law states that any school that receives Title I funds must inform parents if their child is assigned a teacher for four or more consecutive weeks who does not meet applicable state certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

Additionally, the Every Students Succeeds Act, requires that schools inform parents of their right to request information about the professional qualifications of their child's/ children's teacher(s) and/ or paraprofessional(s).

ST. JOSEPH'S COLLEGIATE INSTITUTE

Mr. Patrick Washington, St. Joe's Assistant Director of Admissions reached out about recruiting students. If interested in having your son (Grades 5, 6, & 7) meet with Mr. Washington, please email Mrs. Krauss our Guidance Counselor (MKrauss@buffaloschools.org).

COVID – RANDOM TESTING via PCR TESTS

Random testing is scheduled for March 7th at 1:30 PM. Parents/guardians of randomly selected students were notified via email on Saturday, March 5th. Testing will take place in Discovery's CARES Room (106).

- We currently have **40 students registered**. If interested in registering your child/children, here is the link: <https://app.clarifi-covid-19.com/>

NYS ASSESSMENTS (Grades 3-8)

Although testing is not scheduled until March 30 (ELA) and April 27 (Math), we ask that you please consider allowing your child/children to take the NYS Assessments. Due to COVID, many students in Grades 4-5 have not experienced the assessment, MOST students in Grades 4-8 do not have CURRENT data on file, and ALL schools in NYS are expected to have a minimum of 95% participation. Schools that do not meet the 95% participation rate MUST show progress in every subgroup and subject for which the school was designated.

Participation matters!! We do not want to lose out "Good Standing" status.

REMOTE LEARNING

At-home learning is **only provided** to students that test positive for COVID, are in mandatory quarantine, were approved for a medical exemption, or if Dr. Cash closes school.

WIFI/ HOTSPOTS

Hotspots are available to all BPS families who do not have Internet access at home. Families are welcome to come to our open hours to pick up student computing devices, hotspots or to bring devices in for repair.

COVID – DIAGNOSTIC TESTING

The consent form below will be utilized by the school nurse for individuals that present symptoms during the day and receive a diagnostic test. Protocols for sick students will be followed and individuals will still be sent home. Here is the link for the form: [Consent form for Symptomatic testing](#)

THIS IS DIFFERENT FROM THE “RANDOM” TESTING PROCESS WE CURRENTLY HAVE IN PLACE. Submitting the permission slip will enable a symptomatic student to be tested at school. **Whether the results are negative or positive, a child will be sent home from school and required to follow protocols because diagnostic testing involves a rapid test. This is NOT test-to-stay.**

COVID - AT-HOME TEST – POSITIVE RESULT

If a child tests positive, regardless of vaccination status, he/she must isolate for 5-days. Please inform school of the test date and self-report the positive test result on the ECDOH website. Here is the link:

<https://www3.erie.gov/covid/form/form-to-report-a-positive-covid->

COVID - LABORATORY TEST – POSITIVE RESULT

*Inform school/daycare facility

*Provide a copy of the results to school (be sure to include the test date and test site)

COVID - AT-HOME TEST – NEGATIVE RESULT

If a child tests **negative**, but is symptomatic, the at-home test result does not suffice for a child to return to school. **A symptomatic child may only return to school if they:**

- Obtain a negative test result from a laboratory rapid antigen test (provide school a copy of the results)
- Obtain a negative test result from a laboratory PCR test (provide school a copy of the results)
- Get a medical clearance note with an alternate diagnosis (provide school a copy of the letter)
- Quarantine for 5-days (contact school – 816-4922)

These instructions will soon be shared with families.

Our ask of principals is to: Encourage your parents to share their email address which is required to access the portal. <https://www.buffaloschools.org/Page/93811>

PARKING LOT

Please do not attempt to pull in the driveway. Visitor parking is not available during arrival/dismissal due to busses having to pull in/out the driveway.

TRANSPORTATION

Please send in a note if you choose NOT to have your child ride a district provided bus. Last minute requests for picking up children and requests for alternate bus assignments will not be accepted.

Discovery is not able to provide temporary bus passes. All bus changes must be submitted to the district and will require 10-14 days to process. Please plan accordingly.
