COVID – DIAGNOSTIC TESTING

The consent form below will be utilized by the school nurse for individuals that present symptoms during the day and receive a diagnostic test. Protocols for sick students will be followed and individuals will still be sent home. Here is the link for the form: [Consent form for Symptomatic testing](#)

THIS IS DIFFERENT FROM THE “RANDOM” TESTING PROCESS WE CURRENTLY HAVE IN PLACE. Submitting the permission slip will enable a symptomatic student to be tested at school. **Whether the results are negative or positive, a child will be sent home from school and required to follow protocols because diagnostic testing involves a rapid test. This is NOT test-to-stay.**

COVID - AT-HOME TEST – POSITIVE RESULT

If a child tests positive, regardless of vaccination status, he/she must isolate for 5-days. Please inform school of the test date and self-report the positive test result on the ECDOH website. Here is the link:

<https://www3.erie.gov/covid/form/form-to-report-a-positive-covid->

COVID - LABORATORY TEST – POSITIVE RESULT

*Inform school/daycare facility

*Provide a copy of the results to school (be sure to include the test date and test site)

COVID - AT-HOME TEST – NEGATIVE RESULT

If a child tests **negative**, but is symptomatic, the at-home test result does not suffice for a child to return to school. **A symptomatic child may only return to school if they:**

- Obtain a negative test result from a laboratory rapid antigen test (provide school a copy of the results)
- Obtain a negative test result from a laboratory PCR test (provide school a copy of the results)
- Get a medical clearance note with an alternate diagnosis (provide school a copy of the letter)
- Quarantine for 5-days (contact school – 816-4922)
