### COVID

As you may be aware, the Superintendent of Buffalo Public Schools (BPS), Dr. Kriner Cash, has created a re-open plan that shares a multi-layered approach to safety and protection for all of our staff and students. This plan implements recommendations made by the BPS Medical Team, the American Association of Pediatrics (AAP), the Center for Disease Controls (CDC), and the Erie County Department of Health (ECDOH).

Listed below is a concise summary of The Buffalo Public School's high standards for a successful September and beyond. We will need and expect, your strict adherence to effectively implement these protocols:

### School-Based COVID 19 Safety and Protection Protocols:

<b>Masks</b>	Masks are <b>required for ALL staff and students inside of our school</b> , regardless of vaccination status. No exceptions. If students do not have a mask, the school will provide the student with a mask.
<b>DAILY Student Health Screener</b>	<b>Please be sure to <u>submit an electronic daily health screener on behalf of your child before they come to school.</u></b> Please do your part to keep our school community safe. Robo texts and emails via School Messenger will be sent daily. If you do not receive a text or email, please call school (816-4922) and update your contact information.
<b>COVID-19 Testing</b>	To ensure safety for all, parents will need to <b><u>SIGN OFF TO CONSENT</u></b> to ensure that their child(ren) can participate in randomized less invasive PCR testing at no charge.
<b>Social Distancing</b>	Schools will adhere to the CDC distancing requirement of a minimum of 3 ft. amongst persons.
<b>When Your Child is Ill</b>	When your child is ill before the start of the school day, it is required that you keep your child home. If your child becomes ill during the school day, the student will report to the school's CARES Room and you will be contacted to pick the child up, as quickly as possible.
<b>Immunization Requirement</b>	Please be informed that it is a New York State Requirement that all students participating in in-school learning have up to date immunizations on file in their schools by June 21, 2021. <b>Students without proper immunizations will be excluded from school starting September 22, 2021.</b> For additional information please visit <a href="http://www.buffaloschools.org/Page/1958">www.buffaloschools.org/Page/1958</a> .
