Welcome to 3rd Grade!

I am pleased to welcome you to the 2021 - 2022 school year! I am looking forward to having your child as a student. Third grade is such a fun year with so many wonderful learning activities to celebrate. In order to help us have a successful year, one of my goals is to create a family of learners in our classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and an integrated part of our classroom community. It is my hope that you will support and encourage this vision at home.

About Me

Hello! I am Ms. Gracievski, and I have been teaching for BPS since 2002. This will be my first year teaching at NPC#50. I was born and raised in Central New York. A few of my interests include reading, drawing, making crafts like origami, and spending time with my friends and family. One fun fact: I love to work on puzzles.

I attended Buffalo State College and received my Bachelors Degree with dual-certification in Elementary and Exceptional Education in 2002. I earned my Masters degree in Literacy from the University at Buffalo in 2006.

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
