Pathways to Kindergarten Success

The Anatomy of Good Kindergarten Attendance

Look out

for too many absences. Even missing 1-2 days a month can lead to lower test scores in 1st Grade.

Have a **back-up plan** in case your normal way to school falls through. Can your family & friends help?

Lend a hand

to your child with regular bed time and morning routines. Kindergarteners should get 9 to 10 hours of sleep every night.

Speak up

and reach out if getting to school becomes hard. People at your school want to help.

Hop in to reading!

Children with good attendance in Kindergarten are 4x more likely to read well by 3rd Grade!
