*"Putting children & families first to ensure
high academic achievement for all"*

Welcome! Ms. Poole, Ms. Donlon, Ms. Capitemmino, and Ms. Guemes are looking forward to a great year of learning in Fourth Grade. This will be a year to come back together in person.

We have been teaching in Buffalo for many years. We have a strong belief that students need ownership within our classrooms, and that promoting responsibility and individual self-confidence in learning and self is crucial to healthy academic and social growth.

Fourth grade is a wonderful time of learning and getting ready to transition to the next challenging grades. We will continue to need lots of support both with schoolwork, and with social-emotional challenges.

Welcome (back) to Harvey Austin and Fourth Grade!
