Welcome to 3rd Grade!

I am pleased to welcome you to the 2022 - 2023 school year! I am looking forward to having you in my class. Third grade is such a fun year with so many wonderful things to learn. I will be your homeroom teacher and I will also be teaching you both ELA and Social Studies. We will work hard, but hard work pays off!

I hope you have enjoyed your summer! Please complete the attached All About Me to share on the first day of school. You may include pictures, drawings, object, etc. Feel free to be creative! I cannot wait to learn all about you!
