

**The Education Bargain with Students and Parents**

An equal and high-quality education is every child's civil right; and, as educators, we must deliver on this essential democratic principle. The New Education Bargain is simple: The District will guarantee pathways to opportunity that will lead to achievement and success in exchange for hard work, commitment, and collaboration of our students and parents.

**IT IS THE PARENT'S RESPONSIBILITY TO:**

- Place a high premium on education
- Make sure your child goes to school and to all classes every day
- Make sure your child does his in-school work to the best of his ability and puts in additional study time (up to two hours each day) outside of school hours
- Make sure you and your child show respect for teachers and for staff

**Key Features:**

- Rigorous Early Elementary Education
- Strong Community Schools
- New Innovative High Schools
- Extended Learning Excellence for All Our Students
- Services for Our Neediest Children and Families
- New Relationship with Our Teachers
