

The Education Bargain with Students and Parents

An equal and high-quality education is every child's civil right; and, as educators, we must deliver on this essential democratic principle. The New Education Bargain is simple: The District will guarantee pathways to opportunity that will lead to achievement and success in exchange for hard work, commitment, and collaboration of our students and parents.

IT IS THE PARENT'S RESPONSIBILITY TO:

- Place a high premium on education
- Make sure your child goes to school and to all classes every day
- Make sure your child does his in-school work to the best of his ability and puts in additional study time (up to two hours each day) outside of school hours
- Make sure you and your child show respect for teachers and for staff
