Dear North Park Residents,

We are pleased to share exciting news with you; North Park Community School will begin the construction of our long-anticipated addition. The staging to prepare for our construction will begin mid-August.

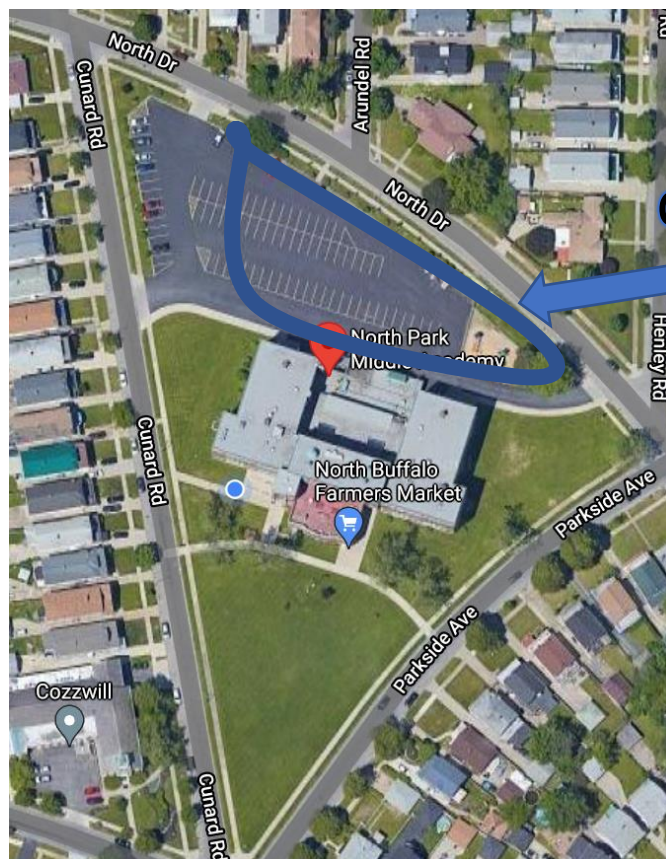

We have taken pride in being good neighbors in our North Park Community and part of this has included allowing residents to park in the parking lot outside of school hours. Due to the limited number of parking spaces that will be available, we will no longer be able to allow public parking in the NPCS lot as of **August 9, 2021**. Any cars that are parked in the parking lot after August 9, 2021 will unfortunately be subject to ticketing or being towed.

If you should have any questions about this letter, please free to contact the main office. If you would like any updates on the construction project, we invite you to look at <https://www.buffaloschools.org/Page/88503> for updates about the new edition.

We thank you for your support and appreciate your anticipated patience with us.

Sincerely,

North Park Community School
