

Sight Word Activities

Simple activities for the *classroom* or at *home!*

Feed a Sight Word Monster	Design a tissue box monster. Write sight words on index cards or post it notes. Have children practice reading words as they "feed" their monster.	
Pom-Pom Hunt	Write your sight words on top of paper cups and hide pom poms under several cups. Children take turns guessing where the pom poms are hiding. They must be able to say the word to lift the cup and keep the pom pom.	
Sight Word KABOOM	Write your sight words on popsicle sticks. Label some of them with the word, "KABOOM." Place them in a cup. Take turns picking sticks and reading the sight word. Keep the stick if you can read the word. If you grab a "KABOOM" place all your sticks back in the cup. See who has the most at the end.	
Sensory Bin	Create a sensory bin. Place sight words in objects such as eggs. Children open each egg and read the word. Extend learning by writing the word in a sentence.	

<p>Sandbox</p>	<p>Fill an empty crayon box or baby wipe container with colored sand. Have children practice spelling and writing sight words in the sand.</p>	
<p>Shaving Cream</p>	<p>Practice writing sight words in shaving cream for some messy fun!</p>	
<p>Sight Word Hopscotch</p>	<p>Replace the numbers in a traditional hopscotch game with sight words. Read and spell the words as you play.</p>	
<p>Sight Word Bowling</p>	<p>Label and set up bowling pins with sight words. Roll a ball and read the words that were knocked over. Repeat.</p>	
<p>Toss and Read</p>	<p>Write sight words on the bottom of a cupcake liner. Place the liners inside of a cupcake pan. Then toss a ping pong ball and read/spell the word the ball lands on.</p>	
<p>Beat the Clock</p>	<p>Set a timer. Read your sight words as fast as you can. Race to beat your time.</p>
