BOYS BASKETBALL SUCCESS

Returning to varsity competition for the first time in several years, the LJB Tigers basketball program exceeded expectations and finished 2nd place in the C-2 Regional Sectional championship. Led by Junior guards Lamont Pulliam and Davon Scott, the Tigers shocked Western New York Basketball when they upset no. 4 Westfield Academy and no. 1 seed Ellicottville to advance to the finals. The Tigers will return their entire team next year as they gear up for another championship run. Congrats to all JV and Varsity Basketball Players! See you in the off- season. ~Coach Cottman
