

CLASS DOJO

Hello Parents,

North Park Community School will be using ClassDojo this year! ClassDojo encourages important academic and social skills throughout the school day. It will also be used as a communication tool between you and your child's teacher. Messages, updates and photos (please see the photo release form) can be instantly shared. It is the easiest way for you to see how your child is doing at school and to get in touch with your child's teacher.

We would like all families to sign up for ClassDojo! You can use it on any device: it is a simple, free mobile app for iOS and Android, and can also be used from a computer at: www.classdojo.com.

You will receive a parent invite code from your child's teacher. Please use this code when asked to connect to a classroom. You will be immediately connected to your child's teacher. You will be able to see what positive Dojo points your child is earning throughout the school day. Positive points include attendance, completing assignments, helping others, being on-task, and using kind words.

For every positive point earned, one panther dollar will be put in your child's Dojo Account. At the end of the week, your child will bring home a Dojo Check to be signed. Students who return the following Monday with signed checks will be able to go to the Panther Store to purchase various items (a copy of school store items will be sent home in September).

Thank you!

North Park Community School #50
