

# CLASS DOJO Photo Release

Dear Parents/Guardians:

North Park Community School uses ClassDOJO to build our classroom community. Your child's classroom teacher, shares photos and videos of the classroom activities on Class Story (only parents of students in our class will be able to see the story and have access). As a school, we also use Class Story to post celebrations and reminders (parents of only students assigned to NPCS will be able to see and have access). In addition, the teacher will be sending you private messages and photos so that you may view their work.

**Please complete and return the bottom of this form to your child's teacher as soon as possible. This signature will be for the duration of your child's NPCS enrollment. If you would like to rescind at any time, please send a note to the classroom teacher.**
