Terence Jenkins, Principal

Nicole Dias, Assistant Principal

Kate Paolini, Assistant Principal

Dear Parents and Guardians,

Third grade is quickly approaching and we want to inform you about the upcoming school year. As you may know, New York State testing is in place for all students in grades 3-8. This year your child will be taking tests in Math and English Language Arts (Reading). These tests measure your child's ability, as compared to other third graders across the state. For example, your child will solve multiple step word problems in math, read and respond to complex texts in English Language Arts. If there are ever any questions or concerns, please do not hesitate to contact us.

Sincerely,

The Third Grade Team
