Black Lives

George Floyd, a 46-year-old man, died by a police officer by getting choked in the neck for 8 minutes and 48 seconds with his knee. Because they thought he wrote a fake check. Breonna Taylor, a 26-year-old African American woman was shot 8 times, with several shots to use. Ahmad Arbery, a 25-year-old man who was shot in Atlanta. He was pursued by two armed white men. No arrests were made.

Because of mostly white men, almost every person is doing a riot for these people who have passed away. These people who have heard about these deaths, are starting to burn things and do a walk with signs and graffiti on City Hall.

If the white men haven’t done this, none of this angeriness would have happen. So, everyone treat everyone else like you want to be treated. Please stay safe, and love one another and let’s make this world a better place.
