Black Lives Matter

No Hate, Pay Attention

Police Brutality, why is it questioned?

Black Lives are taken without hesitation
viewed as black were constantly hurting
the hate you give is discouraging
Our skin is a big blessing

ENOUGH IS ENOUGH

Ahmuad Arbury shot for jogging
Breonna Taylor died because of home invasion
George Floyd unarmed his life was still taken
are we ever going to be safe in the world we live in?
Black is Black, and White is White

Your skin doesn’t define you, but the person INSIDE you
“LIBERTY AND JUSTICE FOR ALL” was nothing but words said
through the WORLD.
