Press Release

For Immediate Release

All Erie County School Districts Closed Through April 29

West Seneca (March 15, 2020) – In accordance with the Governor’s April 6 executive order regarding NYS on Pause, all Erie County school districts will remain closed and will continue to provide remote instruction through April 29. Food service will continue per each school district’s established temporary protocol.

This notification serves as an official coordinated message confirming the notices already shared individually by local school districts. If a future executive order requires schools to remain closed beyond April 29, school districts will share that directive within their respective communities.

We miss our students and remain hopeful they’ll return to the classroom before summer break. The health and safety of our students and staff is our highest priority, and we will remain vigilant in our efforts to help prevent the spread of this illness.
