

## How to Access the Online Science Textbook and Assignments

All students have a Clever Badge that they can use to login and access BPS websites or they can type in their username/password. I sent home everyone's login information on March 13<sup>th</sup>. If you cannot locate this information, please let me know and I can send you the information. Also, if you have your child's iPad from school, he/she can just go to the Clever app. If not, I have included the directions about how to access from the BPS website.
