

How to log into Clever: (iPad version)

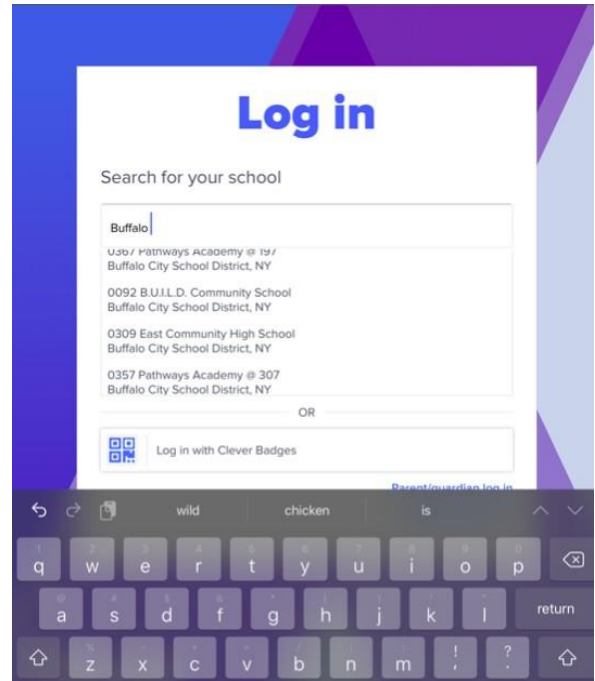

1. Click on the clever icon

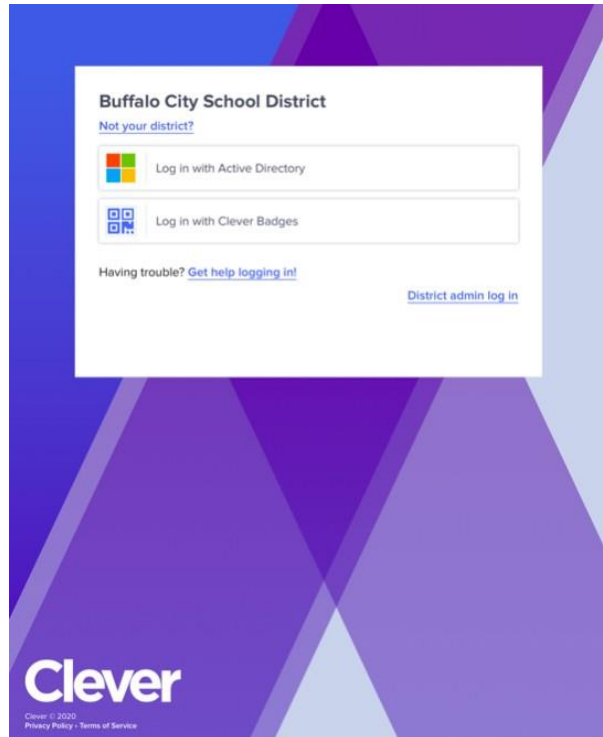

2. Click the blue log in with username/password

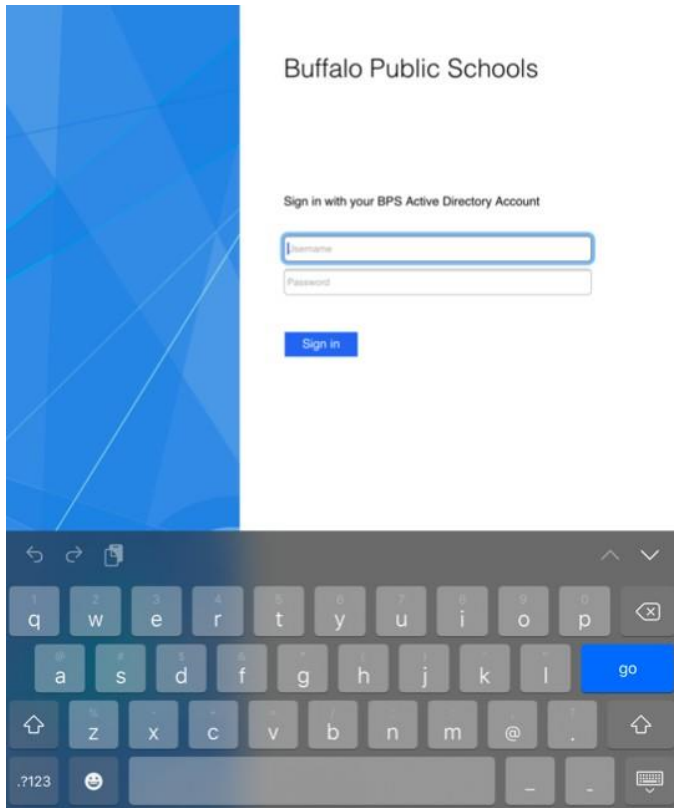

3. Search Buffalo and then scroll down to 0099

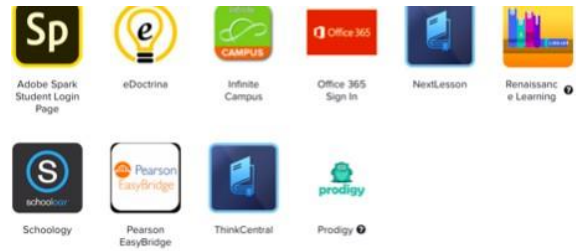

4. This screen will pop up. Log in with Active Directory

5. This is where you will enter your username and password. If you have forgotten this, please reach out to your teacher!

6. Once you are logged in, you will see the sites and apps you need access to. **Remember, there are more listed at the bottom!**
