Ms. Katie Hurtubise

Welcome to 3rd Grade!

Welcome to the 2021-2022 school year! My name is Ms. Hurtubise and I have been teaching for 12 years. This will be my first year at NPCS #50.

If you are in Homeroom 315, I will be your Homeroom, Math, and Science teacher.

If you are in Homeroom 314, I will be your Math and Science teacher.

We will have so much fun this year learning together!

About Me

Hello! I was born and raised in Buffalo, NY. I have a Shih Tzu/Pug mixed dog named Biggie Smalls. I enjoy traveling and spending time with family and friends. My favorite part about teaching is building relationships and creating a positive classroom environment for all students.

I attended Canisius College and received my Bachelors Degree in Early Childhood Education and Childhood Education. I then attended Buffalo State College where I earned my Masters Degree in Exceptional Education and my Post-Masters in Administration.

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
