

Parents/guardians, please take the Digital Equity Survey. **You can do this through your child's account on their BPS issued learning device.** Go to www.buffaloschools.org/students and click eDoctrina (Please, have your child log in with their student account if they aren't already logged in). The survey will be available in there. It is short and will provide us with information that can assist us in meeting your digital needs.

When you log in it will look like this:

Thank you!
