

Moving to the Next Level One Voice...One Vision...One Mission

An equitable, inclusive, and high-quality education is every child's civil right; and our District, Families, Students, and Community Stakeholders must work together collectively speaking with ONE VOICE... focusing on ONE VISION... to achieve ONE MISSION which is to ensure that the brilliance of children is realized and celebrated every day in every BPS school.

TOGETHER, WE WILL:

- Place a high premium on safety and wellness
- Continue to advance a curriculum that engages students in work that is meaningful and rigorous
- Implement purposeful recruitment, selection, orientation, and placement of a diverse workforce in our district and schools
- Advance opportunities for community and family engagement which will improve student learning and development.
