Part of the objective of “Our Fallen Warriors – Remembered” and the ensuing “Postscript” project is to ensure a photographic remembrance for each; that a face accompanies each story. In the original publication, Senior class photographs from the DIAL were included, as available.

This compilation enables interested people to see nearly all of our warriors in happier times, some before, some during and some after their time at South Park.

Currently, there are no pictures in which John Spoor (1930), Theodore Herda (1937), James Cole (1939) or Leonard Kohl (1943) are identified either as students, graduates or from other sources. While their names appear in various DIAL pictures, the format in the particular year did not make them identifiable. In instances where the individual can’t be readily identified, due to picture quality, facial expression or other factor the best available picture of the warrior is added to the lower portion of the page for individual search.

If assistance, additional information or pictures can be provided, please contact South Park High School Alumni Association, (716) 816-4828, sphsaa@aol.com or mnmparsons@gmail.com.

A thousand words indeed…
Remembered
1. Carmela Balestrieri and her son, Sam, at Ellis Island, February 16, 1924

2. Sam Balestrieri, Norfolk Va. Circa 1939

3. George Ciccarelli (l) with friends

Boys Begin Construction of Soap Box Coaster

Although the Courier-Express Soap Box Derby is four weeks away, Buffalo boys are busily engaged in the construction of Soap Box coasters they hope will carry them to the Buffalo championship, and the free vacation to Akron, O., August 11th, to compete in the nationals and vie for the prizes valued at upwards of $4,000. In the above group are three South Buffalo entrants, all pupils at Public School 72 in Lorraine Avenue. They are, left to right, William Whitefield, 145 Como Avenue; Richard Woodcock, 20 Cazenovia Street, and Walter Cole, 49 Triangle Street, at whose home the Courier-Express photographer caught the boys at work assembling Cole's coaster.

Pilot “Visits” Parents Via Wirephoto

Marshall John Schroeder, 26, U. S. Army Air Transport Service pilot based in Equatorial Africa, paid an unexpected but welcome “visit” to the home of his parents, Mr. and Mrs. Fred Schroeder of 32 Kenefick Avenue, Sunday morning after an absence of more than a year. Marshall “came home” via Wirephoto and The Courier-Express and the happy parents were overjoyed when he said “good morning” to them from a front page group picture of pilots “somewhere in Africa.” At left, Mrs. Schroeder is shown in the living room of her home pointing out the picture of her son, at the same time comparing it with another photograph taken before he left the country. At right top is shown a portion of the picture from which the identification was made, and at lower right is a reproduction of a photo of the pilot taken at a Boston (Mass.) airport in January, 1945.

18 Sam Balestrieri
Thrill of a lifetime came to this group as they heard Sgt. Stanley Siergiej, a tank commander, relate his meeting up with the Heinies in Liege, Belgium. Listening to the radio are, left to right, Mrs. Sally Koranski and Miss Jean Siergiej, the sergeant's sisters; Miss Charlotte Trzaska, his girl friend, and Mrs. Emily Sokolowksi, another sister. Photos stop the radio show the three Siergiej brothers: Marine Pfc. Anthony, Sgt. Stanley and Petty Officer Walter of the Seabees.

1916 – Football

In the second week of school, the prospective players met with Mr. Hinman, their physical director, and set about at once to make plans for their football season. Despite the fact that the manager of the team experienced no little difficulty in arranging games, undoubtedly, owing to the fact that most schools had closed their schedule, the boys had a very active season.

It is only fair to say that it was an unorganized team that played the first game. With the exception of this game, the boys closed their season without having tasted defeat.

The intense public interest that the boys had aroused, called for a contest with North Tonawanda for the championship title of Western New York. The result of this game was a tie.

Many thanks are due Messrs. Hughes and Shea for their generous and expert coaching.

The splendid pitching of Bill Reedy was responsible for South Park’s maintaining a .750 average in the Cornell cup series. With the possible exception of their initial encounter with McKinley, the team gave an impressive account of themselves and were capable representatives of the school.

1938 – Football

Although the football team finished in fourth place in League 2, they can pride themselves in the fact that they furnished keen competition for every team which they opposed. It is significant that in the contests in which they were defeated, the margin of defeat was never more than a single touchdown, and had the breaks been more favorable, our team would undoubtedly have finished nearer the top.

South Park High School’s Golf Team captured third place in the Ganson Depew Trophy Race. Although the total of the team’s four lowest scores was comparatively low, this was offset by the splendid scoring of Bennett and Riverside, who finished first and second, respectively. At the All-High tournament our team turned in the following rounds: Eugene Davin—82; Robert Marks—76; James Morgan—78; George Lasekay—80; Charles Hanny—80; Eugene Manner—83; John Pohlman—83; John Suknum—92.

In the All-High Golf tournament which was held at Grover Cleveland Park on September 30, 1940, South Park finished second.

Leonard Kohl
1940 – Swimming

After only five years in actual competition the South Park swimming team, coached by Mr. Joseph Sweeney, succeeded in winning the high school swimming championship. The team did remarkably well by emerging victorious from all their dual meets, and at the All-High meet South Park managed to nose out Kensington by one point to round out their undefeated season. South Park placed two men on the All-High swimming team; Bob Horton, who won the 100-yard breast stroke, and Thomas Jordan, who won the diving competition for his second straight year.

Marty Carrig was high scorer with 112 points and Jim Gassman was next with 82 points. Coach O’Keeley said he expected a better season next year. This was Mr. O’Keeley’s first year of coaching.

Because of the lack of playing experience, South Park’s Basketball team was able to gain only three victories during 1946-47. The men, however, improved immensely as the season progressed and with a year’s experience the team will carry on to greater victories next season.
South Park’s Basketball team led by captain Tom Reddington was composed of a spirited squad, including Bill Meyer, sophomore, who scored 150 points and was second team all-high, and Caz Kania, senior, who scored 100 points and was honorable mention in all-high.

The team succeeded in upsetting a favored Riverside team by a lopsided score, also topped Lafayette and Grover Cleveland by ten points in each game. Several other games were close and the Sparks only succumbed in the closing minutes of the games.

A capacity crowd saw the season’s closing game with our defeat to the deserving champions of Hutchinson.

NEW YORK STATE SCHOLARSHIP WINNERS

Each fall South Park students whose high school record makes them eligible to do so compete with similar students in the state for ranking place in the results the New York State Scholarship examinations. Tension mounts as the time for releasing "the list" nears. South Park was awarded fifteen scholarships which may be used in any college or university in New York State. Ten students were designated as alternates and have a possible chance to be given a state scholarship if someone finds himself unable to accept the one awarded to him. (Since these photographs were taken, Cynthia Ball has been added to the list of scholarship winners).

MARCHING BAND

The Marching Band has much that is new this year — a new director, Mr. Daniel L. Pieczynski; many new members; and, most spectacular of all, resplendent new uniforms in South Park’s own black and red. What a wonder then that they hold their heads so proudly, march so snappily, and play with such precision. They add zest and color to our sports events.

**Larry Miles**
... like a haunting melody...

We will remember him... for his service... to his school, to his community... and to his country... and we will honor him for his courage... laughter, charity, bravery... the memory of his virtues remain... and are immortal as his soul...

Soft strummed guitars... gentle melodies... the song of life was his favorite... most mellifluous... and always with a song in his heart.

Bill... a quiet boy with a secret smile... Bill a U.S. Marine... Bill, the minstrel boy... the music-maker...

His memory... like a well loved melody... remains...

He has moved a little nearer to the Master of all music...
