**Parent Teacher Organization (PTO)
2017-2018
Application**

As the 2017-2018 school year begins, Discovery School encourages every family to join the PTO. The cost per family for the year is \$5.00 and this helps to defray the cost of things such as buses for the children's field trips throughout the year. **PLEASE support the PTO!**

Please understand that by joining the PTO, you are not expected or obligated to attend meetings (however, we would love it!) or volunteer unless you sign up yourself. These funds go directly to the children for field trips and fun activities. Without family support and membership, the PTO cannot pay for buses or field trips in this school year.

*****DISCLAIMER*** We are fully aware that you cannot possibly support all of the fundraisers throughout the year. We do a lot of fundraisers in the hopes that something will appeal to everyone. Please DO NOT feel obligated to participate in every fundraiser. Thank you!**

Your participation is so important- please help by joining!
