- 1 pack of filler paper, 2 folders
- 8 GB Jump Drive (for grades 7-12)

- It is very helpful for the dancers to have their own dance bag to carry their belongings in.
- Always remember to keep your work from the previous year, we will reference the material often.
- 2 packs of 3x5 cards
- A combination lock for your dance locker.
- Please label all belongings with permanent marker.

Please be reminded that, when purchasing your supplies:

- Do not purchase house slippers that look like traditional ballet slippers. Although they are cute and less expensive they do not serve the intended purpose.
- Please do not purchase leotards with skirts attached or any type of jewelry or designs.
- The purpose of the body stocking is to replace your undergarments. A body stocking is typically worn underneath your leotard and tights. It is also very beneficial under costuming. It provides a clean line and eliminates your undergarments. Please purchase a flesh colored body stocking.
- Just a reminder, attire is part of your grade and a deduction will be made if the proper attire is not worn, worn incorrectly or adhered to for every class, rehearsal or performance.

Image of TI- 30X IIS Scientific Calculator

- These calculators come in many colors. The school provides the black ones for use in math class. It would probably be a good idea to get a different color for home use, so they don't get mixed up if they're brought to school for some reason.
- There are other brands of scientific calculators that perform the same operations, and look similar, but may be less expensive than the Texas Instruments model. You may purchase these brands.
