

# The Wright Way: Consequences

\* Behaviors that seriously affect the safety of others in the school will be office managed.

Suggestions for Teacher's Choice:

- Restorative outcomes
- Apology Letter
- Recess Time-Out
- Lunch Detention
- Room Change-time out in another room
- Loss of classroom privilege
- Behavior Journal – write about behavior choice and alternatives
- Redirection (not a time away) – engage in another activity to regroup
- Student won't receive a ticket/token/sticker (not taking away something already earned)
- Remove opportunity to complete a desired activity (classroom job)
- Classroom clean-up (natural consequence)
- Time with "Teacher Mentor"- a designated person with relationship with specific students

Other, non-immediate options:

- Teacher developed behavior contract
- Submit a "Request for Assistance" to the SST
- Teacher created daily behavior tracking sheet/card
