5:300 PM  
Auditorium

To all parents, guardians and community members:

Please be advised that a meeting referencing our Receivership status from the New York State Education Department will be held at school to clarify any concerns or questions about the future of Harvey Austin Elementary School. This is an informational meeting that will also include recruiting parents for our Community Engagement Team. This team will consist of all stakeholders who wish to transform our school into a successful learning environment. Those who cannot make this meeting are strongly encouraged to contact the main office with your availability to meet. We will make secondary arrangements to deliver as many meetings as necessary to bring everyone together in a common goal for reform. If you have any questions or concerns, please feel free to contact our office at any time.

Thank you all for your dedication and concerns.

Respectfully Submitted,

Dr. Kevin J. Eberle
