Course	AIS
Assessment	State prepared assessment January June

Description This course is set up to help prepare you for future math courses and exams. It is to be used to enhance any mathematics education you are receiving in other classes and to clarify any concepts that you may need.

Required Materials/ Supplies:

Folder
Loose leaf paper
Pencil

A graphing calculator will be provided during class-time. (Due to limited numbers of calculators it may be necessary to bring one from home on test days).

Classroom Expectations:

- 1) Be safe
- 2) Be responsible
- 3) Be respectful

Grading Policy:

Grades will not be given in this course, nor is course credit earned. Although, not performing or completing assignments may result in disciplinary action.

Attendance: *Attendance in class is EXTREMELY important. Students are not allowed to attend other classes while scheduled for AIS or ask to leave the room to make up other*

work. Attendance directly correlates with achievement on tests and in other math classes..
