March 2022 Claim Audit Findings

Issue Category	Issues	Net Adjustments
Critical – Insufficient Supporting Documentation	35	\$ -
Critical – Unauthorized Purchase/Policy Violation	1	\$
Critical – Violation of Purchase Order/Contract Terms	3	\$ (20,000)
Non-Critical – Clerical	10	\$ (2,396)
Grand Total	49	\$ (22,396)

*NOTE: With the exception of duplicate claims, the majority of claims are ultimately paid after resolution of any issues.
The net adjustment represents actual changes of processed claims.*

- **Critical Issues are those issues that may result in the complete disallowance or significant reduction of a claim and/or represent a violation of BOE policy or other governing regulations**
 - o **Critical – Duplicate (submittal of a previously processed claim):**
 - No occurrence.
 - TREND - Prior Month: 0, Current Month: 0.
 - **Recommendations / Actions / Notes:**
 - Fifth consecutive month with no duplicates.
 - o **Critical - Insufficient Supporting Documentation (claim package is missing required approvals and / or proof of delivery and / or other required documentation):**
 - Thirty-five (35) invoices reviewed had insufficient or incorrect receiving records and/or were missing proof of delivery or other required supporting documentation. This included an invoice totaling **\$173,100** (Dell Marketing LP) for computer equipment (no proof of delivery), and an invoice (no supporting documentation) for Fall 2021 tuition payments totaling **\$137,736** (Erie Community College). All issues resolved.
 - TREND - Prior Month: 8, Current Month: 35. Additional emphasis on verification of MUNIS receiving records supported by scanned bills of lading and/or packing lists.
 - **Recommendations / Actions / Notes:**
 - Failure to enter receiving documentation represents the single largest delay in processing of AP payments and a significant compliance issue.

March 2022 Claim Audit Findings

- **Critical Issues are those issues that may result in the complete disallowance or significant reduction of a claim and/or represent a violation of BOE policy or other governing regulations**
 - o **Critical - Unauthorized Purchases / Policy Violation (purchase was not processed through requisition approval process and / or other procurement policy was not followed):**
 - One (1) invoice was in violation of the procurement policy. This included:
 - An invoice totaling **\$275,400** (CatchOn) for student software subscriptions were submitted for all three years of service. Payment held and department is requesting a revised invoice for first year of service.
 - TREND - Prior Month: 0, Current Month: 1. NOTE: Many claims that would have been classified as policy violations are now being resolved prior to invoice entry into MUNIS; therefore, they are no longer being logged as audit rejections.
 - **Recommendations / Actions / Notes:**
 - Department notified of policy violation and revised invoice to be paid.
 - o **Critical - Violation of Purchase Order (PO) / Contract Terms (goods / service provided and /or billing are outside the terms of the Contract and / or Purchase Order):**
 - Three (3) invoices were in violation of the purchase order/contract terms. This included:
 - An invoice totaling **\$20,000** (N-Ovate Business Solutions) for cyber security support was submitted for more than the board approval and contract amount. Board approval was obtained in the April board meeting. Payment will be processed with new purchase order.
 - TREND - Prior Month: 0, Current Month: 3.
 - **Recommendations / Actions / Notes:**
 - Department notified of the violation of the contract terms.
- **Non-Critical Issues are those issues that may result in minor adjustments and a delay in processing**
 - o **Non-Critical - Clerical Errors (typographical errors related to pricing / quantity / discounts or metadata):**
 - Ten (10) invoices contained errors with incorrect invoice amount, invoice number, invoice liquidation, and invoices not fully received.
 - TREND - Prior Month: 9, Current Month: 10.
 - **Recommendations / Actions / Notes:**
 - Errors were corrected and claims processed.
