

Dear Parents and Guardians,

Welcome to second grade!!! We are very excited about the upcoming year and look forward to working with your child and you. We feel that communication between parents and teachers is vital to your child's education.

Our second grade team has very high expectations for both academics and behavior. We appreciate your support as we navigate through a different start of the school year.

Please know that you can call and/or leave a message with the office (816-4770), or email, if you have any questions or concerns. We look forward to meeting and working with you.

Thank you,
