## Positive Behavior at Home

At Waterfront School, we follow a positive approach to behavior. Students are rewarded for acting appropriately and doing things that make our school a positive and caring community. Tickets are given to students exhibiting positive behavior and entire classes are rewarded by receiving Compliment Fish. The students turn in their tickets for a chance to win a weekly prize. Additionally, when all of the students have earned enough tickets to fill a cylinder in the main corridor, the entire school wins a school-wide celebration.

In order to continue this positive approach at home, we are giving you some tickets to praise and reward your child. When your child exhibits positive behavior, please give them a ticket. Tickets given to a student at home can be turned in at school for the weekly drawing and will count towards filling the cylinder. Some examples of how your child might earn a ticket from you are listed below.

- Starting homework without being told
- Extra studying
- Packing or unpacking their school bag without being asked
- Reading the directions on homework before asking for help
- Getting up for school on time
- Helping younger brothers or sisters with homework
- Attending school all week

There additional ways that students can be rewarded at home on the back of this page.
