## *Foreword*

The one hundred years of South Park High School has seen our students contribute richly to society. There is no group that we are more proud of and grateful to than our fallen warriors. Their sacrifice to our country is immeasurable to the South Park community. We are grateful to Matthew Parsons, Class of 1970, for putting into reality a salute to those who may have been forgotten over the years. We are honored to share this information with the students of today, the families of these fallen warriors and the entire Buffalo community. South Park's impact will be ongoing. We will continue to produce strong individuals who will make the fallen warriors and our community proud. We support those who currently serve our country, pray for their safe return, and thank them for their service.

My wife, Mamie Brothers Parsons, Hamburg NY, SPHS Class of 1970 for her patience, support and perspective during this project. I couldn't have done it without you! ♥

Lynn Dziak, Holy Cross Cemetery, Lackawanna NY who provided information on the Fallen Warriors buried there.

Bob Jackson, Hamburg NY, SPHS Class of 1970, who proofread and provided suggestions for improvement.

Julie R. Kinsella Gavin, Boulder CO, who provided Latin translations.
