SECOND ADDRESS TRANSPORTATION INSTRUCTIONS – YELLOW BUS

To receive transportation to or from an address other than your home address such as a daycare, after school program or a relative, you must meet the following conditions:

- The student must be eligible for transportation on a yellow bus as per Buffalo City School District Policy.
- Student home address information must be current. (Must be done at the child's school or at Central Registration)
- The second address must be within the city limits and outside of the school's walk boundary.
- The morning pick-up point must be the same for all 5 days of the week. The afternoon drop-off point must be the same for all 5 days of the week. The pick-up and drop-off points may be different.

Due to the many steps necessary to accommodate your request and provide safe transportation to all children, please note that changes take a minimum of one week to go into effect. We can provide the best service for your child with notice well in advance of your need.

Once begun, second address transportation will continue indefinitely unless we hear from you.

Please mail or deliver applications for this service to the above address. Applications may also be completed at your child's school. You will receive either a routing letter with a scheduled start for the new service or a denial notice if your request does not meet one of the above conditions.

Thank You.

A handwritten signature in black ink that reads "Al Diamico".
