

TEEN PEER SUPPORT GROUP NOW ONLINE!

This can be an especially stressful time for everyone, so the CPAs are here to help you maintain your wellness and self-care despite the changes around us.

This peer support group is open to adolescent youth between the ages of 13-18. Youth Peer Advocates facilitate this strength-based group to give youth the opportunity to connect with their peers, validate each others' experiences, and discuss management of mental health. The group offers a safe place for youth to receive support as well as to celebrate accomplishments and practice self-care skills.
