

Assignments for the Week of:

May 4 – May 8

ELA:

1.) Listen to Chapter 5 of *The Lightning Thief*. You can use the link below to listen to the chapter, or you can find the link in Schoology under your ELA course.

Chapter 5 <https://www.youtube.com/watch?v=JsSxVhIME8Y>

2.) After listening to the chapter, you will answer the comprehension questions that are posted right in Schoology.

Math:

1.) Math Review Sheet #3 right on Schoology.

2.) Prodigy Assignment – Assignment #1

Science:

1.) On Pearson Easy Bridge, watch the video “Minerals”.
(Directions for getting onto Pearson Easy Bridge is in Schoology under the assignment.)

2.) In your Science textbook, read pages 293-295.

3.) On Pearson Easy Bridge, complete the Interactivity: So Many Minerals. (Use textbook pages 293-295 to help you answer the questions.)

4.) In a Word document, answer the following question: What are the properties of minerals? Use 2 text details to support your answer.

Social Studies:

- 1.) Nearpod Lesson: Visiting the Acropolis
(Go onto Schoology under your Social Studies course, then click on the yellow folder Week 3, then click on the assignment to find your class code.)
