

<p>Memory Game</p> <p>Put your sight words on flash cards/post it notes to play a memory game. <i>You can have your child add previously taught sight words to this week's sight words to make the game more challenging.</i> Your child should pick a card and read the word. Then, they will pick another card and read that word. If they get a match they get to keep the cards. If they do not get a match they will place the cards back in the same spot they took them from.</p>	<p>Go-Fish</p> <p>Each player gets 3 cards. You ask the other player for one of their cards, if they have it they give it to you. If they don't have it, you pick a card from the middle pile. Make as many matches as you can!</p> <p>** Challenge: you can include all the sight words you have made on index cards 😊</p>	<p>Cup/Plate words</p> <p>Have your child write their sight words on cups or plates. Your child will organize the cups to create a complete sentence using these sight words. After, have your child write the sentence they created!</p>
<p>Rainbow Write</p> <p>Your child should write the sight words below with each color of the rainbow. Your child will end up writing each word 5 times. The first time they will write it in red, then orange, then yellow, then green, and finally blue.</p>	<p>Playdoh/Shaving cream write</p> <p>Roll out some play dough for your child to use. Give them a pencil or tooth pick. Your child will write the sight words below in the play dough! If you do not have play dough you can use flour or shaving cream!</p>	<p>Sight Word Structures</p> <p>Have your child write the letters to the sight words below on plastic cups. Your child should write only one letter on each cup. Then, your child will have to put together the letters to build each sight word. After, your child has put together the word he/she should try to build a tower on top of the word with another sight word tower! Use the picture provided as an example.</p>
<p>Hide and Seek</p> <p>Use the index cards from memory or go fish. If you don't have these, you can make new ones! Hide the words around the house and see how many your child can find and read! You can even time them and see if they can beat the timer!</p>	<p>Bingo!</p> <p>On a piece of paper, create a 4x4 table. In each box, have your child write one of the sight words he/she has previously learned. Next, the family member will read the words one by one in random order. The student will use something to mark off the word you say. When they get 4 in a row they will say BINGO! After, have them read each word back to you.</p>	<p>SWAT IT!</p> <p>Tape index cards/post it notes with sight words on your fridge or lay them on the floor. Have your child use a fly swatter or a spatula to hit the word you read to him/her. Each time you say the word your child has to swat it!</p> <ul style="list-style-type: none"> • Challenge: you be the swatter and have your child read the words for you to swat!
