2014-2015 Infinite Campus Update

Target Audience: All Users

Date: August 22, 2014

Purpose: Announcement of New Interface changes

New look!!!!

The screenshot shows the Infinite Campus interface. At the top, there is a green header bar with the Infinite Campus logo on the left, 'District Edition' in the middle, and '13-14 Harrison High' with a dropdown arrow, a grid icon, and a 'Log Off' button on the right. Below the header is a sidebar menu with options like 'System Administrator', 'Harrison High Website', and 'Infinite Campus Support'. The main content area shows 'District Notices' with a message about snow and a 'Process Index' table. A table with one row is visible:

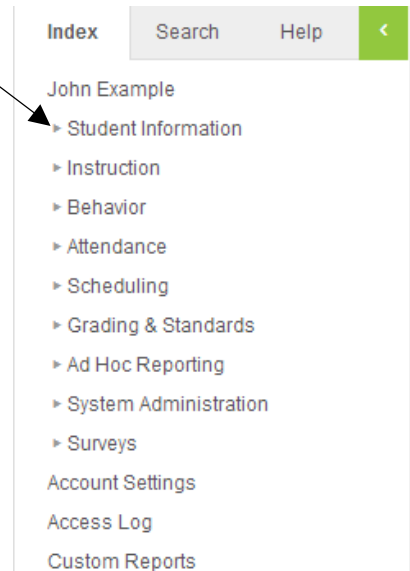

Process	Name	Posted Date	Due Date
Digital Repository Usage	Digital Repository Usage is over 100%	01/02/2014	

- The **Log Off** (Red arrow) button is now located in the top right corner (see close-up below)
- The **school and class section** (Blue arrow) have been moved along the top bar as well
- The side menu can be hidden by clicking 

This close-up shows the top right corner of the interface. It features the school name '13-14 Harrison High' with a dropdown arrow, a grid icon, and a 'Log Off' button.

- After the class/school calendar is clicked, it will expand into a more familiar design
- The school, calendar, year, and class section can now all be changed/selected independently

- To collapse the calendar again just click the arrow ^ in the top-right corner of the screen
- Accompanying pictures have been removed from the module names, but most of menu items should remain the same, along with their subcategories (wizards, reports, etc.)
- All of the search functions and options (including advanced search) have remained unchanged
 - Account access rights will also remain unchanged

- Student profile screen has a slightly different look but all of the tabs have remained the same
 - Pictures accompanying the tabs at the top (Summary, Enrollments, etc.) have been removed providing a sleeking look
