**District iPads will be sent
home and remain home
with your child for
summer.**

Pre-K Students and Families -

Pre-K will be finishing up our Big Day Theme: Moving On, focusing on the last letter and sound for Zz; as well as blend phonemes to make words and reviewing the alphabet. We have finished the curriculum for Building Blocks Math!

With the weather being hot, we will be going outside daily for walks and playing on the lawn. Please make sure your child is wearing appropriate footwear! Also make sure to send their water bottle filled daily, as well as apply sunscreen before school if you would like.

Coming into June, we will begin practicing for our Moving Up Day Ceremony. We welcome you to join us on June 22nd at 10am for our Prekindergarten Moving Up Day! This is such an exciting time for us to celebrate the completion of our wonderful year of Pre-K! We continue to appreciate your ongoing support with these events and making them extremely successful. We thank you for a great year!
