CURRICULUM CORNER:

ELA: Students will focus on phonemic awareness including onset rhyme and blending words.

Students will apply previously taught comprehension skills to fiction and non-fiction text. Students are also learning why authors write a story. We will continue to introduce weekly sight words. Please review these words nightly with your child.

WRITING: We will focus on writing descriptive sentences using details, sentence starters, capital letters, and punctuation (period, exclamation point, question mark). Students will continue to work on responding to a story using a complete sentence.

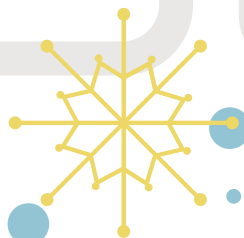

MATH: Students will explore two-dimensional and three-dimensional shapes. Students will learn about flat and solid shapes and how they are related to one another and to shapes in the environment. Students will also use position words when referring to and moving shapes. Students will count by 10's and 5's to 100.
