

7TH/8TH TECHNOLOGY SUPPLIES

1. A 3-prong folder with pockets and about 20-25 sheets of lined paper **installed into the prongs** (NOT IN THE POCKET)
2. Several (3-5) #2 pencils with erasers (for drawing, design, and measuring)
3. A small set of colored pencils or markers (for coloring wood projects that are not painted)
4. 2 pens (for work sheets and writing assignments)
5. **A ruler, preferably a 12-inch standard ruler with metric readings on other direction.**
6. **Scissors**
7. If you have long hair (boy or girl), a way to tie it back or up to keep it safely away from entanglement in the power tools.

Optional personal items:

Safety Goggles/Glasses (glasses must have side shields)

Light Leather gloves (protection from wood splinters)

Work apron (protection clothes from paint, sawdust ...)
