

BPS Office of School Climate Toolkit 2017 - Third Edition Classroom Management in Buffalo Public Schools

If you would like Classroom Management coaching, please contact Monica Capozzi at MCapozzi@buffaloschools.org. Monica is a former teacher who knows first-hand the challenges of managing a classroom. If you are interested in Classroom Management professional development, please contact Nicole Bycina at ncbycina@buffaloschools.org.

Featured BPS Training Module: - Monica Capozzi, Student Support Coach from the BPS Office of School Climate, authored this BPS, [Featured Classroom Management Module](#).

[Components of Successful Classroom Management](#) include the provision of rules, procedures, routines and positive teaching strategies. It is most important that teachers develop relationships with their students and create a safe, respectful and engaging learning environment. Once behavior is taught it should be acknowledged with [classroom and school-wide acknowledgement](#). Here is an excellent article on managing challenging behavior by [Remaining Calm and Responding Right](#) as well as short [classroom management articles](#) on various classroom management strategies.
