1. Which one shows **growth**?

2. Which one is a **windmill**?

3. Which one shows **ample** amounts?

4. Which one shows **furrows**?

5. Who is **shunned**?

**To the Teacher:** Ask students to look briefly at the pictures on the page. Ask them what they think these words are about—life in the city or country? Have students all read aloud the Vocabulary Words. Ask partners to describe what is happening in each picture. Then guide student partners to write the correct Vocabulary Word and use it in an oral sentence about the picture. Have the partners make up a sentence using the remaining vocabulary word (*cherished*).

- Read the paragraph. Then circle the letter of the best answer to each question. The underlined words in the paragraph will help you answer the questions.

### My Garden

This year, I planted my first garden. I know that heavy rains will cause flooding. I also know that too much sun can make the vegetables wilt. But I never worried about deer, so I did not put a fence around my garden.

One morning I saw deer in my garden. I ran out of the house. The deer ran away. I was too late.

All the vegetables were eaten.

- 1 What causes flooding in a garden?

A deer  
B heavy rain  
C sun  
D a fence

💡 Tip

Find the sentence with the words *cause flooding*.

- 2 What causes a garden to wilt?

A deer  
B heavy rain  
C sun  
D a fence

💡 Tip

Find the sentence with the words *make the vegetables wilt*.

- 3 What happened when the deer came to the garden?

A The garden flooded.  
B The vegetables wilted.  
C It rained.  
D The vegetables were eaten.

💡 Tip

What was the effect?

**To the Teacher:** Read aloud the story. Then read aloud the first question and the tip. Write the word *cause* on the board. Tell students that a cause is the reason something happens. Have students read the list of causes in the answer choices. Ask them what will happen to cause flooding in a garden. Have them complete the page.
