**Skill Reminder** related words = words with the same root  
that have related meanings

- Read the paragraph. Then circle the letter of the best answer to each question.

This year, my school is going to start a school garden. The students of each grade will have a part of the garden to plant with anything they want. Most of the *youngsters* in first grade want to plant flowers. The older kids plan to have vegetables in their section. The students in my grade have a *superb* idea. We are going to plant unusual plants that will surprise all the students in the other grades. I can *envision* how the garden will look when our spiderworts, beebalm, and butterfly bushes grow.

1 Which word is related to the word *youngsters*?

- A your
- B youngest
- C yogurt
- D yonder
