Skill Reminder related words = words with the same root
that have related meanings

- Read the paragraph. Use context clues to help understand the meanings of the underlined words. Then circle the letter of the best answer to each question.

This year my school is going to start a garden. Students in each grade will have a part of the garden to plant with anything they want. Most of the youngsters in first grade want to plant flowers. The older students plan to have vegetables in their section. The students in my grade have a super idea. We are going to plant tall plants that will be visible from far away!

- 1 Which word is related to the word *youngsters*?

A your
B youngest
C yogurt
D yonder

 **Tip**

Find the root word of *youngsters*. Which of the answer choices shares the same root word?

- 2 Which word is related to the word *super*?
