Name _____

- **Read the paragraph. Then circle the letter of the best answer to each question.**

The human voice was the first musical instrument. People could sing long before they created harps or violins. The voice has remained an incredible multipurpose instrument. It can submerge a listener in sound and transport him or her to unimagined places. A musical chorus is made from voices joined in cooperation with each other, but many musical performers are soloists. What would contemporary music be like without singers? It's nonsense to even think about.

- 1** What is the meaning of *multipurpose*?

- A** few purposes
- B** no purposes
- C** one purpose
- D** many purposes

Tip

Combine the meaning of the root word with the meaning of the prefix.

- 2** Which answer choice has a similar meaning to *submerge*?

- F** subtract
- G** put under
- H** support
- J** make sick

Tip

Do not be fooled by a word part. You are looking for a word meaning.

- 3** What is the root of *cooperation*?

- A** co
- B** operate
- C** coop
- D** operation

Tip

Break the word *cooperation* into a prefix, a root word, and a suffix. After you have taken off the prefix and suffix, see if you can identify the root word.

SCHOOL-HOME CONNECTION Look through a newspaper or magazine with a family member. Find other words containing *non-*, *un-* and *-er*. Discuss the meaning of the words.

Skill Reminder

• Every sentence has a subject and a predicate.

The **subject** tells who or what the sentence is about. The **predicate** tells what the subject is or does.

- The **complete subject** includes all the words in the subject.
- The **simple subject** is the main word in the complete subject.

► Draw a line between the complete subject and the predicate in the following sentences.

1. Mary wants to play in a chamber orchestra some day.
2. Mary's father supports their local chamber orchestra.

► Underline the complete subject in each sentence. Then write the simple subject in the blank.

3. Mary prefers the cello over all other instruments. _____
4. A cello is a stringed instrument. _____
5. The pitch of a cello is lower than that of a viola. _____
6. Both instruments require lots of practice to sound good. _____

► Add a complete subject to these sentences. Then circle the simple subject in each sentence.

7. _____ rehearsed on Monday.
8. _____ became ill.
9. _____ were quiet while Holly played.
10. _____ won the first place medal.

Copy four declarative sentences from "Yang the Third and Her Impossible Family." Underline the complete subject of each once. Underline the simple subject twice.
